Profile

I am an ambitious tech intrapreneur; an enthusiastic full-stack developer who aspires to lead agile software teams. I am a proud family man who enjoys spending time with friends and playing hockey at my local club.

Skills

I will graduate from Mayden Academy in May 2018, after completing a 16-week full-stack, intensive course in software development. I have learned the fundamentals of programming, becoming a certified Scrum Master (CSM) and working as part of a team to produce 6 projects. Please take a look at my portfolio: www.JamesCullen.co.uk

Projects

JavaScript Game, https://bit.ly/2HUw07G
As a team, we designed, coded and delivered a racing-themed game.

JavaScript / PHP Quiz, https://bit.ly/2rteqwy (test@test.co.uk to try the quiz!)
As a team, we refactored an existing code base, including bug fixes.

OOP PHP Ecommerce Store, https://bit.ly/2IgKVbr
As a team, we built a suite of products arranged by category and able to be viewed by the user with details of title, image, price, size, colour and description.

Experience

Director, Productive Meetings Ltd; 2015 - Present
I founded this digital tech start up to make meetings matter.

Director / Trainer, OrateMate Ltd; 2015 - Present
I founded this Social Enterprise to provide skills training and coaching.

Lead Coach, David Lloyd Clubs; 2017 - 2018
I led and managed a team of 12 fitness coaches in a club with 7,000 members.

Sports Coordinator (UK), Fight For Peace; 2014 - 2015
I led sports for the UK academy and wrote the charity's Sport Strategy 2015-20.

Business Development Manager, Kent Sport; 2013 - 2014
I supported grassroots sport in Kent by helping to secure £2m funding annually.

Education

University of Central Lancashire, MA Rhetoric; 2009 - 2010,
Merit

University of Central Lancashire, English Language & Linguistics; 2003 - 2006,
Grade 2:1
